1 Badge user journeys

2.1 How badges chain into each other

No badge is a dead end — each unlock leaves the next one already in progress:

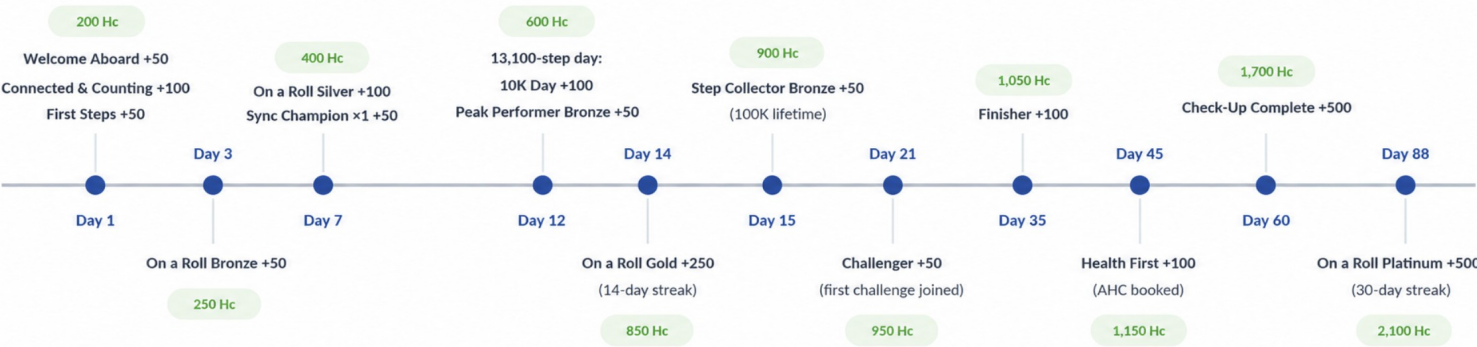

2.2 A first 90 days,

mapped out

2.3 Category map — earn it, get paid, chase the next one

A typical first 90 days – 15 unlocks • 2,100 Hc • always under the 2,000 Hc / month cap

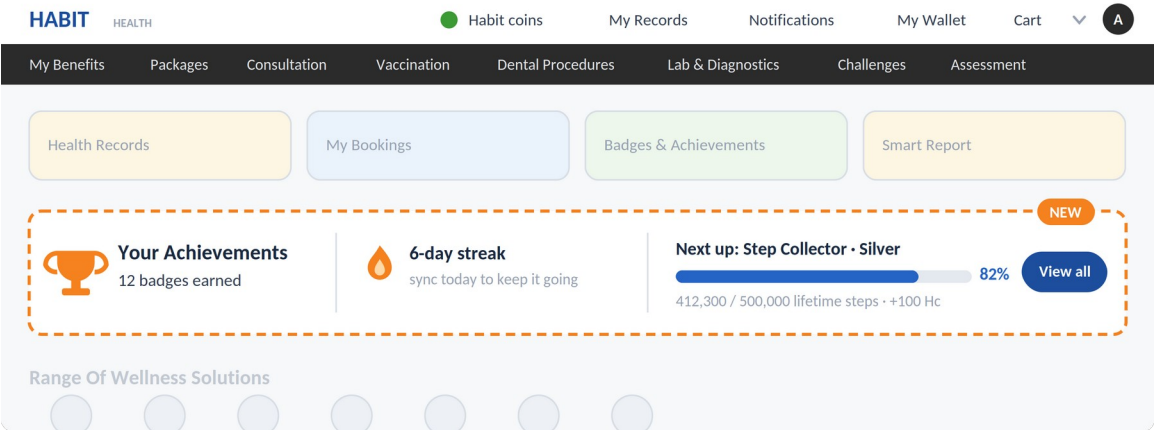

3 How we'd measure it

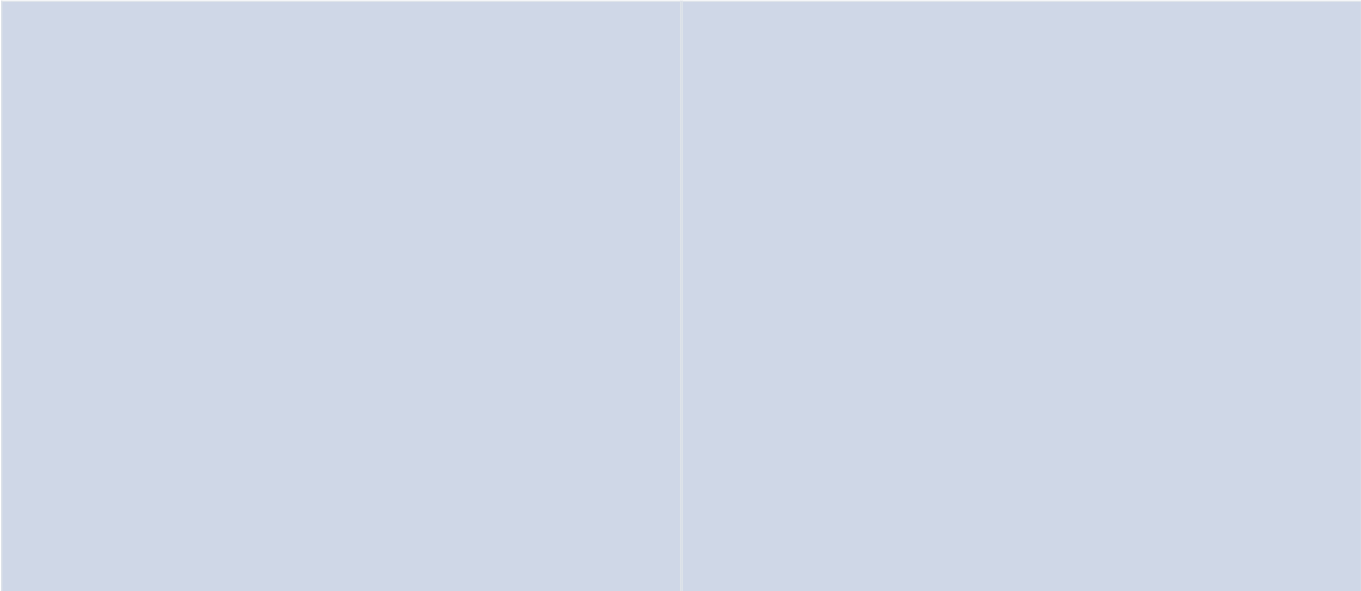

Baselines during the pilot, review 90 days after full rollout:
